#### GLAZIER CONFIRMED.

Senate Agrees to His Appointment as State Bank Examiner.

C. A. Glazier of Utah county was yes terday confirmed as state bank examiner by the unanimous vote of the senate. The matter was considered in executive ses sion, but it is undrstood that no opposision, but it is undrstood that no opposition was expressed, and that many compilmentary things were said as to his
ability by those who had been looking into
his record. It developed that the only
reason for postponing action on his confirmation was that Senator Loose was
absent when his name was first proposed
and action was deferred until the senator
could be heard from as he comes from
the same county as Glazier.

A. H. Moyes, whose appointment as
state fish and game commis loner awaits
confirmation, was not mentioned. Feeling
as to his competency is not at all unanmous, and it is understeed that stong
opposition will develop when he is finally
voted upon:

#### Afraid of Strong Medicines.

Many people suffer for years from rheu-matic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that quick relief from pain may be had sim-ply by applying Chamberlain's Pain Belm and without taking any medicine inter-nally. # LIGHT PETITION BEFORE COUNCIL

Martin Tried to Have it Laid on Table But Was Ruled Out Of Order.

#### WHOLE MATTER IS REFERRED.

Communication From the Mayor Relative to His Position in The Premises.

After quite a little skirmish, the city council last night referred the petition of the Utah Light & Power company for an extension of its franchises an additional 50 years, to the municipal laws and special water committees. The communication from Mayor Morris denying certain statements in the company's petition was also read and referred to the same committees. When the petition was read, Fernstrom moved that it and the fran-

chise accompanying be referred to the committees named above. Black was perfectly willing that the petition should be referred, but he ob-jected to the ordinance going to the committee. He made several attempts to have the ordinance read and voted on, but was unsuccessful. Fernstrom on, but was unsuccessful. Fernstrom contended that it was always the custom to refer such ordinances to the committee and not vote on them when first presented. Black insisted that the ordinance should go over and be read under that order of business. Martin and Wells both raised the point that the ordinance was not properly before the council, as it did not bear the signature of a member of the council. President Hewlett sustained the point and announced that all the matters pertaining to the petition were referred to the committees. the committees

THE MAYOR'S LETTER.

The following communication from the mayor was then read: "Salt Lake City, Utah, Sept. 7, 1904.

"To the President and Board of Di-rectors, Utah Light and Power Com-pany, City:—Gentlemen:—As this city is endeavoring to secure an adequate water supply principally from Big Cot-tonwood canyon and to bring the said water into the city at a sufficient height to connect with the main services, it will be necessary for the city to secure the old paper mill water rights now owned and controlled by your com-

pany.
"I would respectfully request that you advise me at your earliest oppor-tunity the price of this water right, bearing in mind, of course, that this is a very great undertaking upon the city's part and as the finances of the municipality are in somewhat of a strained condition it is possibly unnecessary for me to suggest that a very reasonable figure be named.

"Salt Lake City, Utah, Sept 8, 1904. "Hon. R. P. Morris, Mayor, Salt Lake

City:"Sir:-I beg to acknowledge receipt your favor of September advise you that the subject presented by you for our consider namely the purchase by the city of the old paper mill water rights near the mouth of C tonwood canyon will be presented to the executive for action on Wednesday next, the 14th instant. As the matter is of so much importance, I cannot assure you of very hasty eration of the interests of the city and eration of the interests of the city and our own will be given, and any concessions that can be consistently made by our company in favor of the corporation will be given, having in view, however, naturally, the preservation of our own rights and interests.

"Respectfully yours,
(Signed.)

THAH LIGHT AND POWER CO. "R. S. Campbell, General Manager."
Several weeks after the receipt of this letter I had a conversation with Mr. R. S. Campbell, the manager of the company, who stated that the letter which the city desired to see the company, who stated that rights which the city desired to quire were very valuable and could be sold for a large amount, but that the company did not wish to part with them, unless they were required by the city. I told him that, while the city would probably require the rights, it was not then in a position to pay out any large sum of money for them. He any large sum of money for them. He replied that the company owned several frankcises, some of which had been acquired from other parties; that they expired at different times, and that it would be a great advantage to the company to have them consolidated. He stated that the company desired to issue more bonds, and if it had one franchise covering all its rights it would be easier to raise the money on would be easiler to raise the money on the new bonds than it would be on different franchises, whose terms were not uniform and which expired at dif-ferent times. Later he told me that if such a franchise could be obtained such a franchise could be obtained from the city, the company would be willing to convey the desired rights in exchange therefor. I told him that if the company would prepare such a franchise as it desired. I would sub-mit it to the city council for consider-ation. Very respectfully, (Signed.) (Signed.

## RICHARD P. MORRIS,

MARTIN'S RASH MOTION.

Martin then secured the floor and moved that the pet tiln of the power com any and all communications pertaining thereto be floor. Wells contendd that such a tin would be discour-cous to be o pany, and that a mat-er of such importance to the city as

ter of such importance to the city as well as the demonstration and not summarily disposed of as proposed by Martin.

President Hewlett ruled that Martin's motion was out of order, as a motion to refer had already been made, and it could not be amended. Martin objected to the matters being referred and asked that the roll be called on the motion to refer. The roll was called, and the motion was carried by a vote of 10 to 3. ### NEWHOUSE PROPOSITION,

The communication from Samuel Newhouse, in regard to his proposition relative to installing an electric light plant in this city and furnishing light at not to exceed 10 cents per kilowatt hour, and with a minimum charge of 75 cents per month, was read and referred to the committee of the whole.

### GROCERS' GRIEVANCE.

The Retail Butchers and Grocers association petitioned the council to amend the license ordinance so that grocers carrying fresh meats will not have to pay a double license. The pe-tition states that such a plan of license discriminates against a class of mer-

chants that can least afford it. Under the present system a meat dealer who desires to carry groceries or a grocer who desires to carry meats is compeli-ed to pay a retail butcher's and also a retail grocer's Heense. This, the peti-tion states, is a hardship and the asso-ciation asks relief. The petition was referred to the committees on muni-cipal laws and license. dpal laws and license.

Mr. Albert M. Bigelow of New York writes in regard to a trip from New York to the Lake Superior mining region as follows: "I was absent from my office in New York Friday, Saturday and Monday. I had one day in Chicago, two days and a night at Lake Superior, and did not need to break the Sabbath by any business transaction. This was accomplished in this way: I took the Lake Shore Limited for Chicatook the Lake Shore Limited for Chicago on Thursday evening, leaving at \$:30. I arived in Chicago at four o'clock on Friday. I stayed in Chicago four and one-half hours, meeting some people there and accomplishing some business. I took the train at 8:30 and arrived at Lake Superior at 6:50 in the morning. I had all day Saturday and the evening there. I spent Saturday night there and Sunday. Sunday evening at 6:50 I left Lake Superior and arrived at Chicago on Monday morning at 6 o'clock. I had a half-day there and left at 12:30 p. m. on the Twentieth Century Limited on the Lake Shore road for New York, arriving at 9:30 Tuesday morning, which enabled me to Tuesday morning, which enabled me to reach my office at the ordinary time. On each of the trains which I took I had a comfortable room for myself and was luxurlously supplied in dining cars on each road. This more than verified the story in the Arabian Nights of the wonderful Persian carpet on which the Prince was transferred some one hun-dred miles in a single night." Mr. Bigelow adds that the above is in striking contrast to his first trip to the Lake Superior region in 1859 when it occupied seven or eight days of constant traveling in going one way.-From the Troy Times.
